

- * Nicht in Europa erhältlich
- * Not available in Europe
- * Non disponible en Europe

Benefits

- Timer Based
- Complete package:
 - GSC2Mini Controller with Power Cord
 - Pneumatic Valve Stack
 - Cables
 - Air-Fittings
 - Airline Tubing
 - Injection Molding Machine Input
 - Signal Cable (24VDC)

Features

- Set delay and open times
- 3 modes of operation
- Available in 3 configurations
- Easily upgrade from 2 to 4 or 8 gates
- Compact, lightweight controller (10" L x 7 1/4" W x 4" D)

Technical Data

- Main Power Input: 115/120/220 VAC
- Signal Input Power: 24 VDC from Machine when Injection Forward
- Solenoid Valve Output Power: 24 VDC - Less than 1.5A per gate
